WHO WE ARE

PROCESS FOCUSED SOLUTIONS FOR B2B
BRANDING AND MARKETING

MISSION STATEMENT

TO DELIVER THE HIGHEST LEVEL OF VALUE TO OUR CLIENTS' BRANDS, EVENTS, AND CAMPAIGNS, BY COMBINING EMPLOYEE EDUCATION, DISRUPTIVE TECHNOLOGY, AND CREATING UNIQUE SUPPLY CHAIN SOLUTIONS.

SALES PHILOSOPHY & GROWTH

Strategic

Build detailed plans to execute on our client's unique campaign, event, project, or organizational initiative

Accountable

Ensure our clients' are taken care of and that we are actively invested in their specific interests

Loyal

Honesty and integrity are core values we share as a team and with successful partnerships

Educated

Team focused education in industry best practices, product features, and decoration services to meet our clients' ever changing demands

Solution

Overcoming obstacles with a solution in mind, identifying alternative options when constrained to a budget, timeline, or product limitations

CUSTOM APPAREL & BRANDED MERCHANDISE

Team Phun has decades of experience building comprehensive branded product solutions for employee uniforms, event credentials, promotional products, signage & displays, sales incentives, employee recognition, and specialty retail.

MARKETING & DIGITAL SOLUTIONS

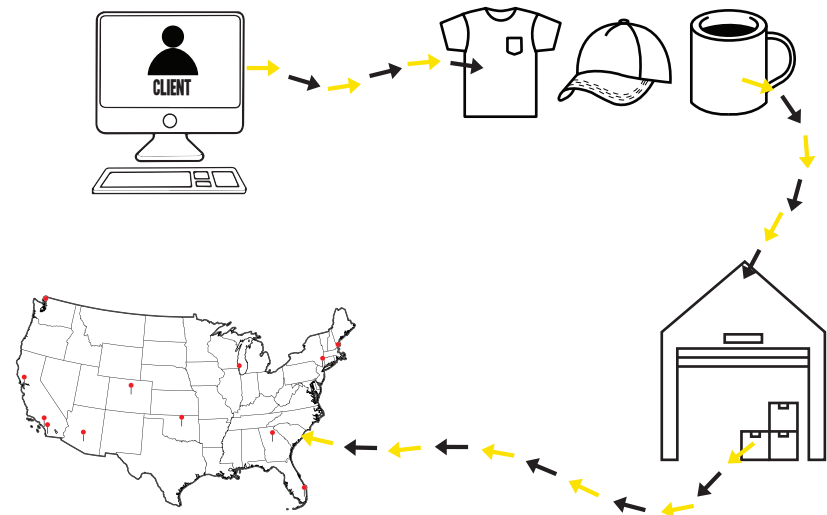

We are a turnkey digital agency, supporting custom logos, social media, artwork creation, websites, online listing reputations, and much more.

E-COMMERCE & WEB STORES

Company stores, redemption sites, team stores, and eCommerce sites using best in class software, offering security, reporting, and customization to custom build a solution specific to your needs. Annual contracts help reduce administrative overhead with a simple payment model.
